YOUR OWN EXCLUSIVE PARADISE

Half Moon Cay is the island of your dreams. Widely regarded as the premier private island experience in the Caribbean, it combines the pristine beauty of a nature preserve with an incredible selection of amenities and activities. You can stay busy all day or luxuriate in tranquil solitude. It’s your day on your island.

UNTouched, UNcROWded, UNFORGETtable

Only 50 of Half Moon Cay’s pristine 2,400 acres are developed for guest amenities, leaving the island virtually untouched since its discovery — with plenty of space to explore. Holland America Line is committed to maintaining the vast majority of the island as a nature preserve and wild bird sanctuary.

AUTHENTIC AND IDYLLIC

A handful of cruise lines offer what they describe as a “private island” or “private resort,” when the reality is an amusement park experience on a manmade beach. But if you ask experienced travelers and Caribbean cruise experts which private island stands head and shoulders above the rest, they’ll invariably answer, Half Moon Cay.

VOTED #1 PRIVATE ISLAND EXPERIENCE.

AWARD-WINNING EXPERIENCE

Every year for nearly two decades, Half Moon Cay has been named the “Best Private Island” in Porthole Cruise Magazine’s Readers’ Choice Awards. And Travel Weekly’s Readers’ Choice Awards also recently named Half Moon Cay its highest honors.

IN THE HEART OF THE BAHAMAS

Known, officially and historically, as Little San Salvador, Half Moon Cay is one of more than 700 islands that comprise the Bahamas. The island is graced with a distinctive crescent bay, bordered by a sprawling white-sand beach, and Bonefish Lagoon which, legend has it, may have been visited by Columbus.

EXPLORE AND MORE

Imagine spending an entire, carefree day on this beautiful Bahamian island: exploring its unspoiled coastline by kayak, riding a horse as it swims through the surf, snorkeling its crystal-clear waters, strolling its two mile crescent beach with sand as soft as baby powder — or simply relaxing under a swaying palm tree.

CREATE YOUR DAY

On Half Moon Cay you can have the exclusive experience you want, whether action-packed or blissfully unstructured, and our staff are on hand to ensure that your time in this special place is as delightful and relaxing as possible.
