Our 2027 and 2028 season completely redefines the way your clients explore Europe and offers a lineup of unforgettable itineraries in Bermuda, Iceland, Japan, and Canada and New England—with even more exciting places to come. Plus, the best in Europe gets even better when later this year we debut river cruises, adding 32 destinations in seven countries. This is the way Europe should be done.

Your clients newest happy place, Celebrity Xcel, returns to lead a fleet of seven ships that are as bucket-list worthy as the places they take them.

In Iceland, your clients can dive into the beauty of the second-largest island in Europe with experiences that take them farther than ever before. Or they can soak up island life on a Bermuda sailing, where turquoise water, pink-sand beaches, and signature British flair set the scene. On our Canada and New England sailings, your clients can take in the breathtaking coastlines and linger a bit longer with an overnight stay in Quebec City. And in Japan, they'll enjoy newly immersive activities that showcase the country's ancient traditions and modern style. Our thoughtfully designed itineraries have everything they could want in a vacation, and more. With the introduction of our new worldwide sailings, they'll be able to choose from vacations across all seven continents—spanning 70 countries and more than 280 destinations.

Venture to Kyoto's famed Golden Pavilion, a stunning three-story Buddhist temple covered in gold leaf. And that's just the beginning—they'll explore more of Asia with visits to some of the most captivating places in the world, including Korea, Singapore, Vietnam, and China.

Throughout their journey, the luxurious comforts of their home-away-from-home welcome them back after every day-and night-of exploration ashore. Your clients will dive deeper into Japanese culture with onboard experiences, like calligraphy classes, kimono draping lessons, traditional tea ceremonies, and hands-on dessert making classes led by professional chefs. After all, an unforgettable vacation isn't just about the places they go, it's how they get there that makes the difference.
